Resourceful. Respected. Results.

Harney Management Partners is a leading consulting firm with more than a 20-year track record of successfully helping middle market, privately-held companies navigate change during any stage of a company's life cycles.

Whether experiencing distress, seeking an acquisition, making a divestiture, growing market share and revenue, or seeking to refinance debt or raise new capital, HMP can add value to the situation. HMP's principals also have extensive experience serving in various fiduciary roles to include court-appointed positions such as Federal Bankruptcy Trustee and State Court Receiver.

HMP's professionals possess the necessary technical skills and leadership qualities obtained not only during their time with HMP, but in the trenches as commercial lenders, hedge fund managers, corporate executives, entrepreneurs, business owners and court-appointed fiduciaries.

Based in Chicago, with offices in Austin and New York, HMP maintains a national practice area having served clients in more than 20 states.
